

Lila's Log: Making Friends, Bringing Comfort, and Spreading our Lord's Message

Greetings, Fellow BSLC Members! K9 Comfort Dog Lila here, with my February report.

"Let it snow, let it snow, let it snow!"

Sorry if I've offended the majority of my friends, but is there a more invigorating time of year than February, when a free-spirited girl like me can go romping through the fresh snow piles, kicking her heels up and watching the flakes scatter in her wake? For those of you who don't agree, just remember:

"This is the day the Lord has made;  
We will rejoice course, and be glad in it."

And also remember: February is the shortest month of the year. ☐☐

On January 17th, Sue and I had the pleasure of de-stressing Brookfield East High School students during exam week with [Charity Comfort Dog](#) and [Jared Comfort Dog](#). Hopefully, my calming influence will inspire them to get top-

notch scores

January's the month for my annual physical examination, and I passed with flying colors, thanks to the excellent care from Dr. Tunder and the staff at East Towne Veterinary Clinic and the yummy food provided by Fromm Family Foods.

PS: Of course, after a rousing snow romp, this usually follows-z-z-z-z . . . .

Until next month —

Yours in Peace and Comfort,

Lila
